

RECAP OF 2014 DOWNTOWN SAN JOSE TOUR

The Downtown San Jose Real Estate Tour took place on October 30, 2014. As always, the event was well attended by a large and enthusiastic group of real estate professionals eager to see and hear about new real estate developments – as well as current and future development opportunities – in downtown San Jose.

The tour kicked off at the recently renovated San Jose McEnery Convention Center. Real estate professionals networked before boarding charter buses for a narrated, information-packed crawl around the downtown core and surrounding areas. Major highlights of this year's tour included a stop at the nearly completed Earthquakes Stadium, where attendees were treated to a behind-the-scenes look at the new stadium, and a stop at the Centerra luxury apartments, where attendees were awed by the view from the new 21-story high-rise apartment complex right across from San Pedro Square Market.

After learning about dozens of buildings and projects throughout downtown San Jose, the tour ended with a cocktail reception at the Hub in the San Jose McEnery Convention Center. The reception provided a great stage for the crowd to network, enjoy great food and beverages, and to discuss all of the exciting new developments in progress and planned in downtown San Jose.

If you missed the 2014 Downtown San Jose Real Estate Tour, we hope that you will join us next time! (Please contact Patty, pvb@hogefenton.com, to be placed on our contact list.)
