Keeping the Deal Moving: Best Practices with Due Diligence and Underwriting

Luncheon (12:00-1:30)

Despite the robust commercial real estate market in the Bay Area, sometimes deals go south. Learn how to spot potential problems before they occur.

Plan to join us on Tuesday, June 11 as Attorney Sblend Sblendorio of Hoge Fenton examines three subject areas relating to due diligence and underwriting of real estate transactions or financing where lawyers can add value:

1. Timing and effort of permitting to allow use.
2. Opinion letters
3. Estoppels and SNDAs

Bring your questions and your horror stories and takeaway some tips that may someday prevent a serious headache.
