

MEET OUR 2022 SUMMER ASSOCIATES

We are pleased to introduce our 2022 summer associates, Aisha Bilwani, Minae Seog, and Jonathan O'Brien. Our summer program, running from June 1st to July 29th, was highly competitive this year and each of these individuals were stand-out candidates from the very beginning. We are excited to have them work alongside our team to gain the mentorship and experience that will jumpstart their legal careers.

Shareholder Sean Cottle, of our Real Estate Practice Group, is managing the program and supervising our summer associates. Attorney Laura Riparbelli (Business Litigation) is Aisha's mentor, Attorney Remington Lenton-Young (Intellectual Property and Data Privacy Litigation) is Jonathan's mentor, and Attorney Ashlee Cherry (Business Litigation) is Minae's mentor.
