

AMY EMBERT MAKES TOP 50 WOMEN IN PTAB TRIALS

Hoge Fenton is pleased to announce that **Amy Embert** of our IP Group made the list of Top 50 Women Patent Practitioners in PTAB Trials list.

The PTAB Bar Association just published its Top 50 Women in PTAB Trials list, as part of a two-year long focus on women practicing before the Patent Trial and Appeal Board of the United States Patent and Trademark Office. It recognizes women patent practitioners in private practice or at companies who have appeared in the highest number of PTAB trial proceedings since 2012.

Amy made the list because she has represented patent owners or petitioners in multiple Inter Partes Review (“IPR”) proceedings relating to patents in the medical device, software, and wireless communications fields.
