

EMPLOYMENT LAW SEMINAR: SMALL MISTAKES, MAJOR CONSEQUENCES... LET'S HIT REWIND

Some say you haven't been in business until you've been sued. We say you should stay in business and not get sued!

Through this seminar, we will show employers how California's wage and hour and discrimination laws can put a small to mid-size company out of business based on simple mistakes and inadvertent errors.

Join Hoge Fenton's Employment Law Team as we work backwards from a damaging judgment after trial to the various opportunities a company has along the way-from the beginning of the employment relationship to post-termination-to avoid a lawsuit. Attendees will leave with a better understanding of how an ounce of prevention is worth its weight in gold.
