

HOGGE FENTON LEADS HOLIDAY WISH DRIVE FOR FAMILY GIVING TREE

We are committed to giving back to our communities. We finished 2021 strong by partnering up

with Family Giving Tree (FGT) to lead a holiday wish drive to provide gifts to those in need this season.

For 30 years, the Bay Area's Family Giving Tree has been delivering joy to those most in need. What started as a San Jose State MBA project to help in-need children has grown steadily into an established, widely respected, nonprofit organization.
