Best Lawyers® is the oldest and most respected peer-review publication in the legal profession. Recognition in Best Lawyers is widely regarded by both clients and legal professionals as a significant honor, conferred on a lawyer by his or her peers. For four decades, our publications have earned the respect of the profession, the media, and the public, as the most reliable, unbiased source of legal referrals anywhere.

The "Best Law Firms" rankings are based on a combination of client feedback, the information provided on the Law Firm Survey, the Law Firm Leaders Survey, and Best Lawyers peer review.

Hoge Fenton is a multi-service law firm with offices in Silicon Valley, Tri-Valley, and the Peninsula. We are focused practitioners, who can meet all of our clients' needs – all under one roof. Our IP lawyers are not business lawyers who dabble in IP, they are IP lawyers. Our employment lawyers are employment law experts and our family law lawyers are family law specialists. And, as a member of Mackrell International, a premier network of independent law firms in 60 countries, our reach extends around the world. © 2021 Hoge Fenton
