On October 6, 2022, Hoge Fenton was recognized as Pro Bono Partner of the Year at **Elevate Community Center's** 2022 Gala and Casino Night at the Rotunda, San Jose City Hall. We were delighted to sponsor the event to help raise legal funds for society's most vulnerable. Family Law Attorney Natasha Tran accepted the award on the firm's behalf. Last January, Natasha organized a Domestic Violence/Family Law Legal Clinic with Elevate Community Center which provided legal

services for around 40 people in need. Natasha along with the firm's DEI - Community Engagement team, also lead Hoge Fenton's Pro Bono Day of Service on June 25, 2022, in partnership with Elevate Community Center. Twenty-five clients received complimentary legal services with additional follow-up services, including drafting petitions and representation. Fifteen of our attorneys and staff volunteered their time to attend a training to conduct an efficient intake for family law and domestic violence issues and to prepare for the clinic that was hosted at our Silicon Valley Office location from 10 am to 4 pm.
