in RWC Pulse with Shareholder & Attorney
Steven Siner

Hoge Fenton Shareholder and Attorney Steven Siner was recently featured in the RWC Pulse where he shared our firm's roots, current practice, and newest location in the Peninsula.

“Hoge, Fenton, and Jones were all insurance defense trial attorneys,” said Hoge Fenton Shareholder and Attorney Steve Siner. “It started in Monterey [in 1952], but moved to San Jose in 1955. Sometime in the 1970s they brought in a lawyer who did corporate work, estate planners, and real estate attorneys, and they liked the idea of having other types of practices, not just litigation.”
