**SYMPHONY
SAN JOSE**

Founded in 2002, Symphony San Jose (formerly Symphony Silicon Valley) has progressed from a daring idea to an exciting reality, rapidly becoming the greater South Bay's premier orchestra and a notable community success story. The Symphony's artists, nationally recruited, locally resident, with an average performance tenure in San Jose of over 20 years, are recognized as among the best in the greater Bay Area. Led by an exciting roster of distinguished guest conductors on the European model, the Symphony is an anchor tenant of San Jose's magnificently restored downtown California Theatre, one of Northern California's most outstanding music halls. There, audiences and critics alike greet its concerts with enthusiasm. To learn more, click [here](#).
