

MEDIATION PRACTICE

What sets our mediation team apart?

Experience. Our mediators are trial lawyers, so they've been there, they get it. With a combined 100+ years of experience, they efficiently and cost-effectively guide the resolution of your dispute.

Tenacity. Our service does not end when you leave our conference rooms. Our team follows up to ensure the best possible chance of resolving your dispute.

Cost. Our pricing is competitive; we provide great value for our decades of experience. We require no deposit and no minimum. We do not charge extra for more than two parties.
