Hoge Fenton is proud to announce that a record number of its attorneys have been named 2019 Northern California Super Lawyers and Rising Stars. This year's selection of 15 attorneys is a record number of Super Lawyers for the firm.

Only 5% of lawyers in California are selected to receive the Super Lawyers honor, and only 2.5% of the lawyers in California are selected to receive the Rising Stars honor.

"We have 15 Super Lawyers this year – and it's our 16th consecutive year of recognition! This is no accident," said Daniel W. Ballesteros, Managing Shareholder at Hoge Fenton. "We hire and develop attorneys who are committed to legal and intellectual excellence. Our Super Lawyers are leaders in their areas of practice and value the community around them."
