

## THANKS FOR YOUR SUPPORT

Thank you for participating in and supporting Hoge Fenton's Trivia Night Fundraiser on April 22, 2021.

With your support and generous contributions, we were able to help raise \$8,275 to support Valley Medical Center Foundation and its partner, Santa Clara Valley Medical Center (SCVMC) in their efforts to combat the pandemic.

Your donation has led to improving the quality of care and access to medical treatment for all residents of Santa Clara County. It has helped the VMC Foundation purchase medical equipment and fund critical health programs that serve our most vulnerable.

**Special Thanks To Our Donors**
