

TIM MAXIMOFF TO SPEAK ON DIGITAL ESTATE, SOCIAL MEDIA & TECHNOLOGY

Date 04/21/2015
Time 1:00 p.m. - 2:30 p.m.
Location 1601 Civic Drive, Walnut Creek, CA

J. Timothy Maximoff (Tim) will speak on the topic of "Digital Estate, Social Media & Technology" at the 22nd Annual Estate Planning Symposium presented by the Contra Costa County Bar Association.

It is a new world, and we are all living on the Internet. Our digital lives are convenient and complicated. As a result, professionals and their clients face new practical concerns. The program will explore this new paradigm, touching on clients' digital estate planning, online assets, retention of family legacies, practical post-death estate administration issues, tax, privacy and data retention issues, as well as relevant current developments.

Tim Maximoff counsels clients in Tax, Estate Planning and Administration, and Business Matters. In estate planning, he assists his clients in optimizing their planning, addressing the high estate and income tax burdens, and the unique family and business dynamics of each case.

Tim's work encompasses the appropriate use of many types of trusts, family corporations, partnerships, limited liability companies, and foundations, as well as assisting his clients in the formation and operation of their business ventures. He assists clients in administering estates and trusts and in resolving complicated estate and family business disputes. Tim also represents individuals and business clients in federal and state tax examinations, appeals and litigation, and in trust and estate disputes.
