The **Tri-Valley Mayors' Summit** is set for Wednesday, August 26, 2020 and this year's event will be virtual. Everyone is invited to join us for a panel discussion of the **current challenges and opportunities facing the Tri-Valley** with the **Mayors of Pleasanton, Danville, Dublin, Livermore and San Ramon**. Included in the panel are **Karen Stepper** (Danville), **David Haubert** (Dublin), **John Marchand** (Livermore), **Jerry Thorne** (Pleasanton) and **Bill Clarkson** (San Ramon).

With the **Honorable Catharine Baker**, California State Assemblymember, District 16 (ret.) moderating the discussion, and more than **100 years of dedication and experience being represented by these Mayors**, you are sure to leave with new insights and renewed confidence in our region continuing to prosper for years to come. Traditionally, this event is unique in that it's the one and only opportunity for business leaders, city staff and the policy makers from all five cities to come together.

In an effort to provide something different than just another zoom meeting, the **Pleasanton Chamber** is planning for the five mayors and the moderator to be together, in-person to record the event in a safe environment. **Amos Productions** will live stream the event for your viewing and it will also be available on the Chamber's website following the event.

The virtual event is **free to attend**, but **online registration in advance is required**. You will receive an email with instructions on how to view the Tri-Valley Mayors' Summit the day before the event.
