Kim Alexander is the President of the nonpartisan California Voter Foundation (www.calvoter.org). The California Voter Foundation (CVF) advocates for election reforms that help voters and build voter confidence. Major achievements include implementing online access to California campaign finance data, banning paperless electronic voting, and requiring voter-verified paper audit trails and post-election audits. Kim and CVF have successfully advanced numerous improvements to California's vote-by-mail process, and she is currently focused on reducing mail ballot rejections.

Hon. Catharine B. Baker is Special Counsel to Hoge Fenton. Catharine was a Member of the California State Assembly for the 16th District from 2014 – 2018. During her legislative tenure, Catharine developed a reputation as an independent, bipartisan voice in the CA Legislature, fostering collaboration that led to breakthroughs in significant legislation, particularly on transportation, the environment, and government accountability.
