

## USING CAPITAL GAINS STRATEGIES TO MARKET YOURSELF TO REAL ESTATE INVESTORS

The Bay East Association Platinum Affiliates just hosted the “Using Capital Gains Strategies to Market Yourself to Real Estate Investors” program on February 19th. The program was aimed at assisting professionals with strategies to help real estate investors save taxes on the sale of investment property.

The Platinum Affiliate showcased Hoge Fenton attorneys Steve Siner and Sean Cottle, in addition to Joseph Callejas of IPIX1031, and moderator Rich Arzaga from Cornerstone Wealth Management.

The panel was well received and we look forward to partnering up with the Bay East Platinum Affiliates again for the opportunity to educate the real estate community.
