

WEBINAR AUDIO RECORDING: DATA, PRIVACY & CYBER-SECURITY IN THE AGE OF COVID

The logo for Mackrell International, featuring the company name in white serif font inside a teal rectangular box.

MACKRELL
INTERNATIONAL

Data Protection, Privacy & Cyber-security in the Age of Covid

As our digital reliance increases worldwide, privacy and cybersecurity are key tenets of every business because of their significant liabilities attached.

Mackrell assembled an international panel of legal advisors featuring Hoge Fenton Privacy and Data Security and Intellectual Property Chair, **Stephanie O. Sparks** to share advice on some key issues for employers and employees. **Click here** to listen to the webinar audio recording.
